The Socialist Workers Party (SWP) has been designated by the Attorney General pursuant to Executive Order 10450.

The SWP is a Trotskyist organization founded in the United States during 1938, with headquarters currently in New York City. SWP was cited on 12/4/47, and 9/21/48, by the then Attorney General as a subversive and communist organization which seeks "to alter the form of government of the United States by unconstitutional means". While the SWP, like the Communist Party, USA (CPUSA), does not openly advocate the violent overthrow of the United States Government at this time or violations of other Federal or state laws, the SWP believes that eventual violent revolution to overthrow that present capitalist system of government in the United States is inevitable. The objective of the SWP, like the CPUSA, is to organize a membership to take action to precipitate sub a revolution when conditions are ripe and to direct and seize control of the revolution when it occurs.

The investigation of the SWP, is, therefore, for the purpose of keeping the United States Government apprised of the activities of this organization and its members to determine if there is a violation of laws of the United States as cited above.
